

WE ARE VERY PLEASED TO ANNOUNCE THAT BARRACUDAS CAMPS ARE NOW USING SPLENTO APP!

Parent engagement, redefined.

Convenient. Private. Secure.

Splento App is the easiest and safest way for you to see all of the awesome things that your child gets up to at camp.

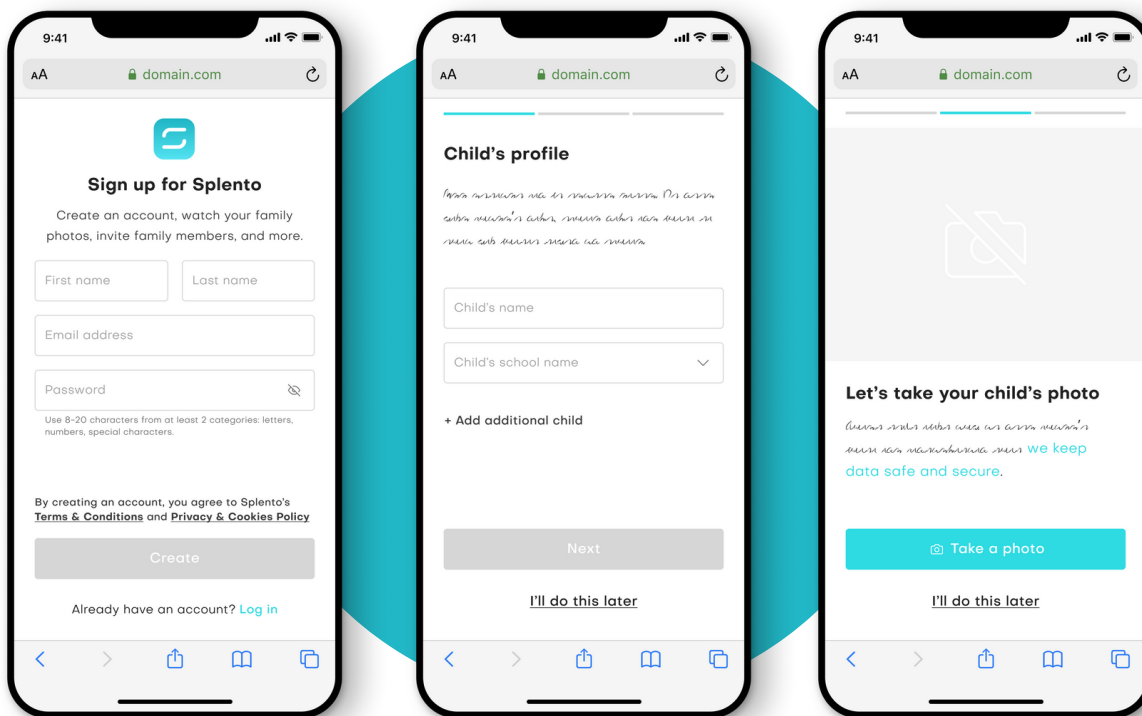

As the coaches and leaders at camp engage with the children, staff can seamlessly take photos and videos, whether they're enjoying the outdoor water activities, going wild in team sports, creating an artistic masterpiece, being zen in yoga, or any other activity.

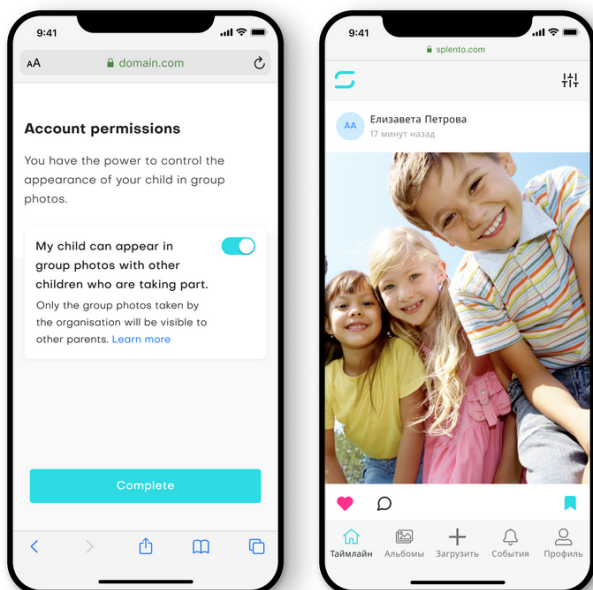

RECEIVE THE PHOTOS IN REAL TIME!

ALL YOU HAVE TO DO: GO TO [APP.SPLENTO.COM](https://app.splento.com) TO SIGN UP AND REGISTER YOUR CHILD - WE'LL TAKE CARE OF THE REST

The app uses exceptionally high security and multiple levels of authentication for safeguarding.

A live photo of your child + unique code are mandatory, and in addition, there is also an optional 2-factor authentication.

Who gets to see the photos is based on the camp's guidelines and your permissions.

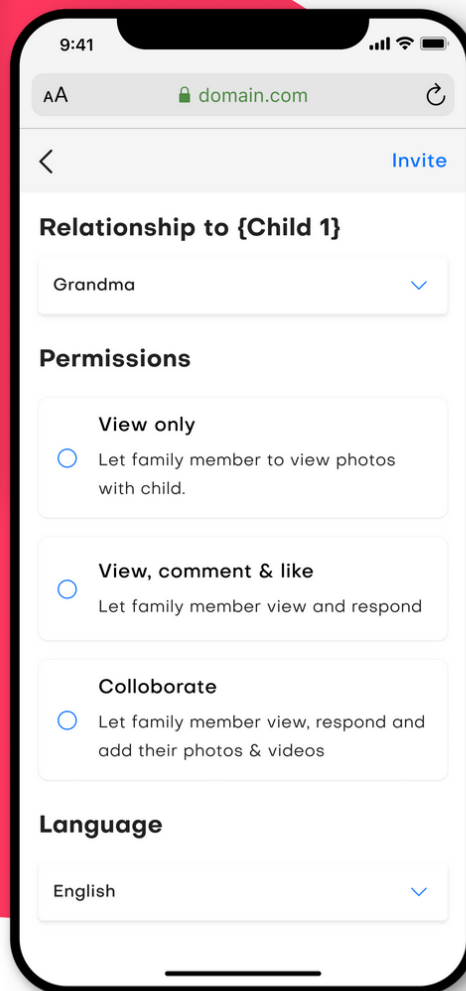

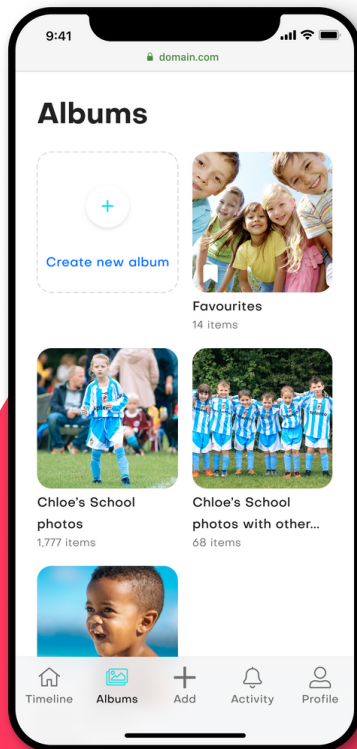

Each parent receives a unique timeline showing only photos of their children and those they are allowed to see.

SPLENTO APP IS THE BEST PLACE TO STORE YOUR MOST PRECIOUS AND TREASURED MEMORIES. WE NEVER SHARE DATA WITH 3RD PARTIES.

WITH ITS SIMPLE SHAREABILITY, YOU WILL BE ABLE TO INVITE FRIENDS AND FAMILY, AND CONTROL THEIR LEVEL OF ACCESS WITH EASE.

ADDITIONALLY, YOU CAN ALSO UPLOAD YOUR OWN PHOTOS, CREATE ALBUMS AND MUCH MORE!

Splento App is designed to work with not only camps, but also schools, sports clubs, birthday parties and much more.

If you'd like the same incredible engagement from your school or sports club, [contact us](#) to let us know.

Lastly, Splento App was made with parents in mind; it's why we are always looking to expand our Parent Advisory Board. [Let us know](#) if you would like to be considered.
