REGISTRATION & DROP OFF

Contactless check-in and the online Essential Information form

Our online registration and collection systems are designed to increase security and efficiency for you and your child. We will store all information electronically and through our unique QR code process record as children enter and leave the site.

Ahead of camp you must complete your child Essential Information form online. We cannot accept children onto camp without this completed information. You will find this form via your online account under the 'Bookings' or 'My Children' section or through the parent app under 'View booking details'. This online information is used by the camp to auto populate other reports for use on camp and therefore must be completed by Friday ahead of the week your child is attending on camp.

- Drop off is between 8.30-9.30am (8am for Early Club) Please allow 15 mins to register on your first day
- When you arrive at camp, show your QR code to the registration staff. This can be accessed through the app or as an attachment in your confirmation email
- Staff will scan your QR code to check your child in to camp and our system will confirm the Essential Information form has been completed and whether we need any additional information
- If you have been sent any other additional forms ahead of camp e.g. for medical reasons, please complete at home, print and bring these with you on Day 1

PICK UP & SECURITY

Contactless check out

- Collection is between 4.30pm -5.30pm (6pm for Late Club)
- At the Collection desk, show staff your QR code once again
- Staff will scan the code to confirm the child's details and check the child out of camp
- This QR code is unique to each child and confirms authorisation for collecting that child
- If someone else is collecting your child, please forward the QR code to them
- If someone else is collecting and they do not have the QR code, our staff will check the Essential Information form to see who is authorised to collect your child. This adult will be asked for photo ID to confirm their identity
- Please note, our sites are only registered from 8am-6pm, therefore all children must be collected by 6pm. Please avoid dropping off or collecting your child between 9.30am to 4.30pm as children and staff will be taking part in sessions. Please call the Camp Manager if you need to make this arrangement

UNABLE TO ATTEND

Camps will expect all children to attend camp in line with their confirmed booking dates. If your child is not attending one of your confirmed dates, please inform the camp or Central Office as soon as possible and always before 9.30am on the day. Please give an explanation for the absence, in case there is an illness outbreak that we need to be aware of. Unexplained or prolonged absences are monitored and should safeguarding concerns be raised, they will be handled in line with safeguarding procedures.

If you've booked our Flex option you can change your dates or cancel right up until the last working day before your child's first day at camp in any week. **Find out more.**

YOUR CHILD'S KEYWORKER

Each child will be assigned a Keyworker, also known as their Group Leader, during their time at camp. They will be responsible for your child's welfare at Barracudas. You'll be notified of who this is when you arrive at camp. You can speak to their Group Leader/Keyworker at any time, just contact the camp directly to arrange this.

MEDICATION AT CAMP

If your child needs medication at camp, you must let the staff know and complete a medication form at registration. If your child suffers from Anaphylaxis or Epilepsy, please complete the form sent with your confirmation email and hand into camp. [See more on medication at camp.](#)

WEEKLY THEME & FRIDAY FINALE

Each week has a special theme with fun themed activity sessions. Friday Finale is our end of week celebration and children have the chance to dress up if they want to. [See our weekly Themes](#)

SWIMMING POLICY

In the Essential Information form, we ask if your child can swim 25m unaided. For camps with pools, we use your answer to determine the support your child will need in the swimming pool. Please note all children under 8 years old are only permitted to swim in the shallow end of the pool.

To avoid any upset, please check the information about your child's swimming ability is up to date on the Essential Information form. [See more on our swimming policy.](#)

PARENT GUIDE FLOW CHART: SWIMMING ACTIVITY

GROUPINGS AND FRIEND REQUESTS

Your child will always be placed in a group with children of a similar age. The number of groups we have each week varies depending on the number of children attending and their ages. If your child is attending camp for more than one week you might find that they're placed in a different group each time. Please don't worry about this, your child will still be with children of a similar age. It does not mean your child has been moved up or down between the age groups.

If your child would like to be grouped with a particular friend, we must be informed of this at the time of booking. Please ask the person responsible for the other child's booking to add your child as a friend request also. This is on the booking form under the 'Friend request' box. We can only guarantee one advance and reciprocated grouping request per child of the similar age (max 2 years difference and older child normally comes down a group). Any requests received within a month of the start date cannot be guaranteed due to maximum group sizes and staffing ratios but we will try our best. Please note: Siblings are not automatically grouped together.

LOST PROPERTY

- Please remember to clearly label all items as our camp staff can contact you if they have found anything
- Lost property items will be displayed in the registration area. Please check regularly
- If your child misplaces any personal items, please speak directly to the camp
- On the last day of each season any unclaimed lost property will be taken to a local charity shop. We are not responsible for any items left at camp
- [See more on lost property](#)

CAMP COMMUNICATION

There will be a whiteboard displayed in the registration area. If there is any reason that the camp need to speak with you at the end of the day about your child they will write their name on this board.

DAILY TIMETABLE

We confirm the timetable on the day of camp. This is because external factors such as the weather may affect what we are able to offer on the day. You will be able to see the timetable for your child's group each day in our parent app. This is a great way to discuss your child's day at camp.
